Magazines are a part of everyday life. They inform us, guide us, and advise us, as does Birmingham High.

The color and diversity of everyday life at Birmingham is similar to that displayed in magazines such as *Us*. With such a broad range of subjects in our school, such as language, mathematics, social studies, English, special education, and sports, anyone can find their interests satisfied. Magazines, as well as school, influence what we think, what we feel, how we dress, and what we do with our spare time.

Magazines fit the lifestyle of the people who read them. Fashionites read *Vogue* and *GQ*. Jocks read *Sports Illustrated* and *Muscle and Fitness*, and intellectuals read *Time* and *Newsweek*. Birmingham clubs represent similar ideas. Intellectuals join C.S.F. and the A.P. Club, business students join F.B.L.A., and actors join Thespians. Active Seniors become involved in Knights and Ladies, and people who want to have fun join the Qualifiers or the Frat Pack.

BHS

VOGUE

Fashion plays a major role in the world, as it does at Birmingham High. Paris, London, Rome, and New York are all centers of high fashion and new trend-setting outfits. Vogue is one of the many magazines that displays the new styles of today's people. To be socially fashionable at Birmingham, one must wear just the right clothes. From fringed boots and dangling earrings to cut-off sweats and torn Levis, trends are constantly changing. It's often difficult for your wardrobe to remain up-to-date, especially at Birmingham High.

What did the students at Birmingham High think about in 1987? We questioned 5 members of the student body in the city, and here are some of the interesting things they said.

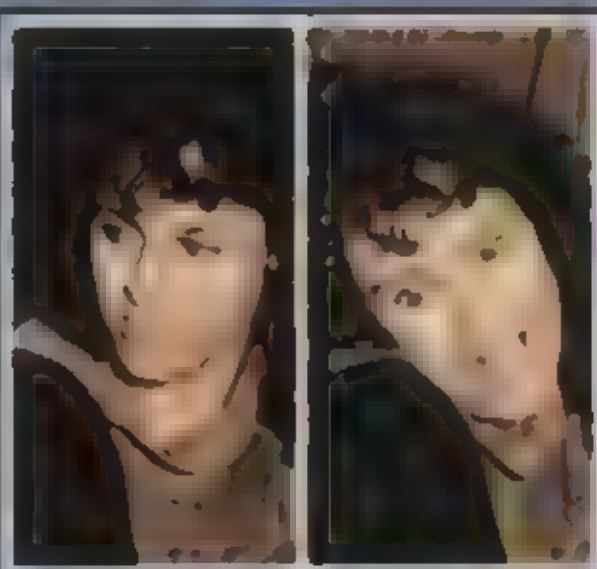

Leah Lyewalshah, Senior: Teachers should be paid more. They really don't get paid for the school. One time I got stopped on Ventura Blvd. I had been speeding, tried to argue the ticket, but I lost anyway. The accident had been going about 160 mph.

David Chung, Freshman: I want to change some of the teachers at our school. Some are too tough while others are too easy. And the cafeteria

food is like junk food. I'm a vegetarian. I don't want a yard. They are boring and don't want to change diapers.

Trina Ornelas, Senior: After I get married I won't be having kids. I babysit for much as a teenager. Divorce is the national pastime, everyone's doing it. I don't want to look too far ahead. My biggest worry is about the problems with the arms race.

Christine Kessler, Junior: After I graduate I plan to major in underwater basketweaving and photography and teach it to left-handed blind people.

I lead a wasteful life, enjoy myself and eventually marry and adopt all the left-handed harass monkeys on Earth.

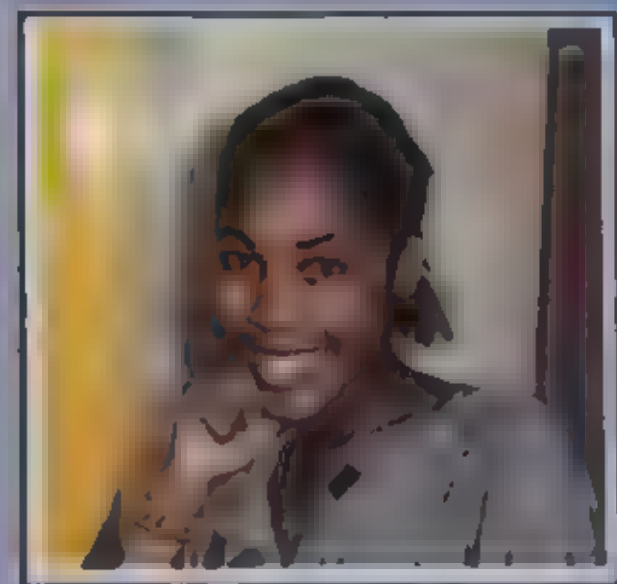

Derek Cunningham, Senior: If you take pride in the way you look and you like the way you feel, then people will respect you, and you can be a success. I'm not afraid of the future as long as we don't have a war and people stop taking all of these stupid drugs.

Brian Alexander, Senior: I want to make longer lunch periods here and give open lunch passes for 10-12th grade. The tardy policy we have now is totally insane. Being tardy is a part of

After Edward's death, a political party
led by a former thelth and
Edward's Nephew, the Duke of
York.

1. The first of the three main parts of the book is devoted to the study of the properties of the function $f(x)$ which is defined on the interval $[0, 1]$ and satisfies the conditions $f(0) = 0$ and $f(1) = 1$. The author shows that such a function exists and is unique. The second part of the book is devoted to the study of the properties of the function $f(x)$ which is defined on the interval $[0, 1]$ and satisfies the conditions $f(0) = 0$ and $f(1) = 1$. The author shows that such a function exists and is unique. The third part of the book is devoted to the study of the properties of the function $f(x)$ which is defined on the interval $[0, 1]$ and satisfies the conditions $f(0) = 0$ and $f(1) = 1$. The author shows that such a function exists and is unique.

[illegible]

1. The first part of the document discusses the importance of maintaining accurate records of all transactions, including sales, purchases, and expenses. It emphasizes the need for a systematic approach to record-keeping, such as using a ledger or accounting software, to ensure that all financial data is properly documented and organized.

2. The second part of the document focuses on the importance of regular financial statements, such as the balance sheet, income statement, and cash flow statement. It explains how these statements provide a clear picture of the company's financial health and performance over a specific period, allowing management to make informed decisions based on the data.

3. The third part of the document discusses the importance of budgeting and financial forecasting. It highlights the need to set realistic financial goals and create a budget that outlines the expected income and expenses for a given period. This process helps management anticipate potential financial challenges and plan accordingly to ensure the company's long-term success.

4. The fourth part of the document addresses the importance of financial control and monitoring. It stresses the need to regularly review financial data and compare it against the budget and financial goals. This allows management to identify any variances and take corrective action as needed to stay on track and achieve the desired financial outcomes.

5. The fifth part of the document discusses the importance of financial reporting and transparency. It emphasizes the need to provide accurate and timely financial information to stakeholders, including investors, creditors, and regulatory authorities. This helps build trust and confidence in the company's financial management and ensures compliance with applicable laws and regulations.

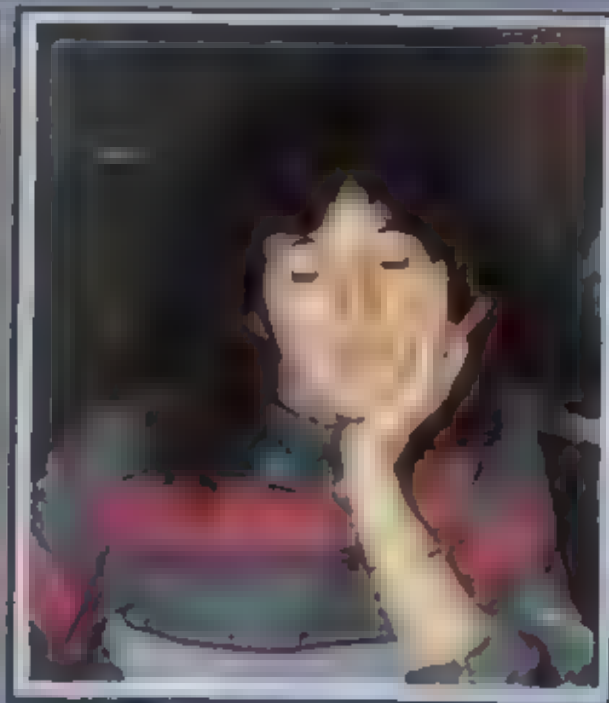

6. The sixth part of the document discusses the importance of financial risk management. It highlights the need to identify and assess potential financial risks, such as market fluctuations, credit defaults, and currency exchange rates. By implementing effective risk management strategies, the company can minimize its exposure to these risks and protect its financial stability.

7. The seventh part of the document discusses the importance of financial planning and strategy. It emphasizes the need to develop a clear financial plan that outlines the company's long-term financial goals and the strategies to achieve them. This plan serves as a roadmap for management, guiding their decisions and actions to ensure the company's financial success and growth.

8. The eighth part of the document discusses the importance of financial communication and collaboration. It stresses the need for open and honest communication between management and financial staff, as well as between the company and its stakeholders. This ensures that everyone is on the same page and working together to achieve the company's financial objectives.

9. The ninth part of the document discusses the importance of financial innovation and technology. It highlights the need to embrace new financial technologies and tools, such as cloud accounting, mobile apps, and data analytics, to streamline financial processes and improve efficiency. This helps the company stay competitive in a rapidly changing financial landscape.

10. The tenth part of the document discusses the importance of financial ethics and integrity. It emphasizes the need to adhere to high ethical standards in all financial transactions and reporting. This includes being honest, transparent, and fair in all dealings, as well as following applicable laws and regulations. Upholding financial ethics and integrity is essential for building a strong reputation and ensuring the long-term success of the company.

SPEAK OUT

BHS MOTOR TREND

Magazines reflect the changing society in which we live. They reflect a wide variety of today's ideas and attitudes. As our magazines change, so do we. Most of the new magazines were published and written by young people. However, we must not forget the good times. The birds are coming to roost. At BHS, in the good times are a part of the fun in the price. The magazines are not just for the young.

Magazines are periodicals that cover a wide variety of subjects. They can be read anywhere, anytime. Magazines inform and amuse. They are fun to read and read. Just as the Times show how the paper is changing, the magazines show the changing of the times.

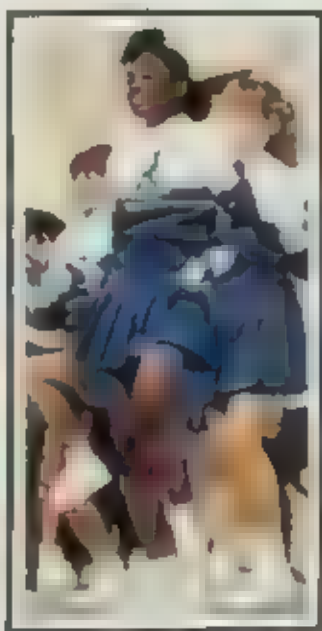

PEP RALLY

The pep rally was a great success, with a large crowd of students and faculty members attending. The event was held in the gymnasium and featured a variety of activities, including a pep assembly, a dance, and a game. The students were very enthusiastic and participated in many of the activities. The pep assembly was a highlight of the event, with the students singing and cheering for their school. The dance was also a great success, with many students participating. The game was a close contest, but the home team emerged victorious. The pep rally was a great way to bring the school community together and show support for the school.

Senior Class Cheerleaders

ALICE AGOSTA

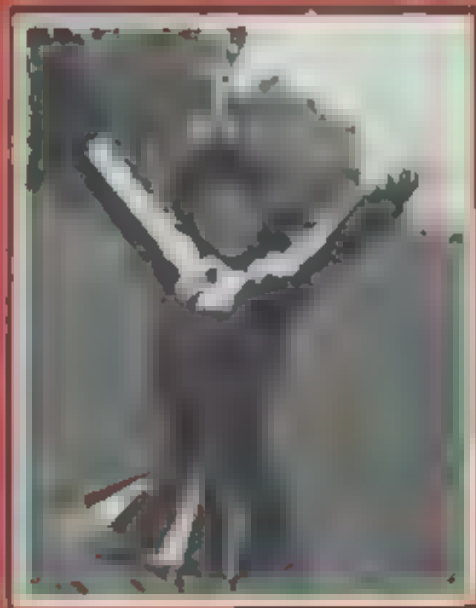

The ultimate spirit entertainers are the Senior Class Cheerleaders. They tackle the job of promoting the Senior Class and school spirit. These women invigorate sports events and participate in a wide range of school and social services. The Senior Class Cheerleaders are a tightly organized young group of vivacious women. They have such a

FALL KNIGHTS AND LADIES

When you think of some important and interesting group of people are you thinking of

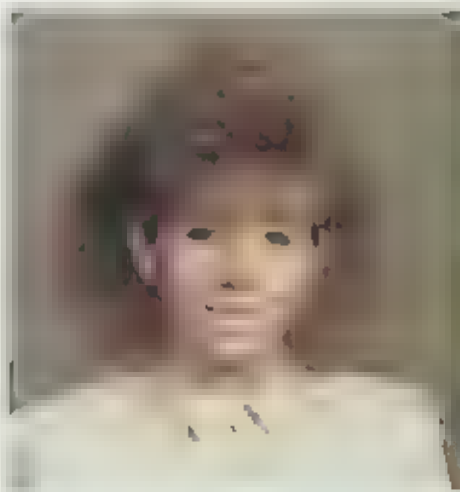

Knights and Ladies?

Knights and Ladies is the student-led, non-profit home and service organization of Birmingham High School. As such, they are the official home and service organization of the school. Knights and Ladies are responsible for developing the home and service events related to Homecoming, including the Golden Homecoming Parade, the 50th Anniversary Homecoming, and other activities where Knights and Ladies perform with skill and precision at the most important events in the school's history. Knights and Ladies are the most important events in the school's history.

More important is the feeling of unity and support that each and every member of Knights and Ladies give to each other, respect one another and try to be as helpful as possible.

Often, Knights and Ladies try to be the best. However, it is not a competition and never be a competition. It is about the Knights and Ladies and their love for you.

PARADE

To end a great week of Homecoming, Birmingham students gathered in the Multi-Purpose Room for the Homecoming 1986 Dance. This year's theme, "As Time Goes By . . .", was a mere reminder of how valuable our time at Birmingham really is. We can look back on years of happiness, hard work, good friendships, and captured moments that will last a lifetime.

Inside, students talked with one another, danced, got pictures taken with their dates, and enjoyed looking at old Birmingham yearbooks, some from the 1960's. As the evening drew to an end, Anne-Marie Kaufman was crowned Homecoming Queen 1986 by Knights President Jamie Bennett. Her court included Staci Rios, Michelle Dominguez, Alma Aguirre, and Ruzanna Adzynian. Also represented were the underclass Princesses: Audra Simon (11th grade), Tricia Sherk (10th grade), and Alana Simon (9th grade).

The Homecoming Dance was a great success because of all the caring students at Birmingham. They make our high school experiences memorable, entertaining, and fun. Thank you for your support!

VICE-VERSA DANCE

Every year there comes an event that forces the girls to swallow their pride and ask that secretly-admired guy in a hushed, quiet voice (gulp) "Hey would you go to the Vice-Versa with me?"

Student Council sponsored this year's extravagant Plain Wrap Vice-Versa Dance on March 13, 1987. Disc Jockey Joe Brusta played everyone's favorite tunes and even some personal requests. Sophomore Council provided snacks for those who were hungry and, along with members of Freshmen Council, worked at the coat check station and helped to organize the cafeteria.

The highlight of the evening was the

"Most Desirable Male." The boys were nominated in the different body clubs and their pictures were posted in the Main Office. After the students voted Thursday, the votes were tallied. The winners were Jason Shapiro (9th grade), Todd Cobin (10th grade), Greg Schell (11th grade) and Paul Reavlin (12th grade).

OCTOBERFEST

Squires and Principias sponsor a rowdy pie throwing contest!

Korean Club rib-sleak out

On October 17, 1986, Birmingham High School enjoyed its second annual Octoberfest in the main quad. This exciting lunchtime event brought out imaginative booth ideas from many different student organizations, such as Knight and Ladies, F.B.L.A., Senior Council, Students Council, the Yell and Song Leaders, and many other Y-Council clubs. The Korean Club raised the most money, \$145.50, with their special recipe "Gal-Bee" ribs. The festivities ranged from delicious homebaked goods and soft drinks to challenging games like throwing pies at your favorite Squires and Principias and wind-up boat races by the Swim team. It was a fun-filled day for all!

POWDER PUFF

Tuesday March 10 Comfortable weather high near 70. Light, cool wind from the east. The stands fill with hungry Seniors, Juniors, and other underclassmen. Suddenly, the players hit the field.

But wait! They're girls?

Yes! It's Powder Puff football!

The excitement builds as the kickoff is received by the Seniors, and ecstasy when the first play of the game is a hard run by Tenita Bennett to the end zone. The Seniors take an early lead. Finally winning by a score of 21-0, with Cheryl Howard and Shagarro Laitin also running for touchdowns. They continued to pound (figuratively speaking, if you will) through their strong defense, forcing an interception and several fumbles. As girls were falling on each other, the audience was going wild with emotion. Amazingly, the game was played with professional skill and tactics. Obviously the Senior women are harder hitting and quite prepared to attack (figuratively speaking) the real world.

Adding to the amusement were the cheerleading guys, furiously trying to perform simple dancing. Hops and cheers. The Juniors appeared to be much more spirited because of the large number of guys cheering for their team. But the Seniors proved once again that they are the champions of Birmingham High.

Here's to the Senior Class of 1987!

Our fabulous Birmingham Varsity Yell Leaders have long since earned the respect and admiration of the entire student body. With their dexterous stunts and magnetic cheers, they lead the crowds at the football, basketball, volleyball, swim, and baseball games. Every year the squad goes to the U.C. Santa Barbara cheerleading camp, where they compete for top honors, meet other spirited people from all over California, and learn new cheers and stunts to amaze and entertain young and old alike.

PANCAKE BREAKFAST

Mary Kay and Mary Kay

The Pancake Breakfast has become a tradition here at Birmingham. The BHS Dad's Club-sponsored event brings senior citizens, students, faculty, family, and friends together. The day is special and unique to all of us here at Birmingham. All funds raised from the event are put right back into school. All who ate at the breakfast were entertained by the talented groups of BHS: the drama class, Dance Production, cheerleaders, and the marching band.

Dr. Emmanuelle Sandoval

"Commencement — one of the definitions given in the dictionary is to begin, to start. You, the class of 1987 are ready to begin, to start, your adult life. Your years at Birmingham High School have been a preparation for that life. Hopefully, the friendships that you have formed, and the learning experiences that you have shared will remain with you for many years. The Achievers, class of 1987, we salute you. We wish you success in your future endeavors, whether it be in business or study. Your class is complimented on its achievement. Best wishes to you all. Success and happiness."

Mary Farrell

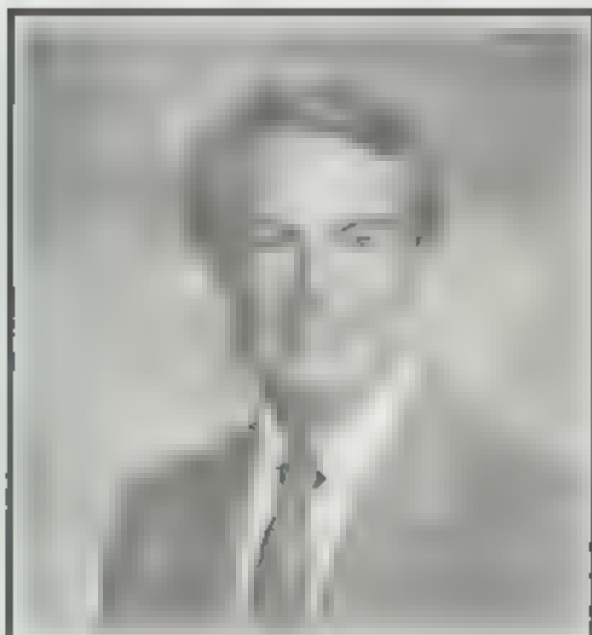

Ms. Mary Farrell
Principal

Ms. Farrell congratulating varsity volleyball players.

Ms. Farrell and Ms. Starnitz talking with Lady Weir.

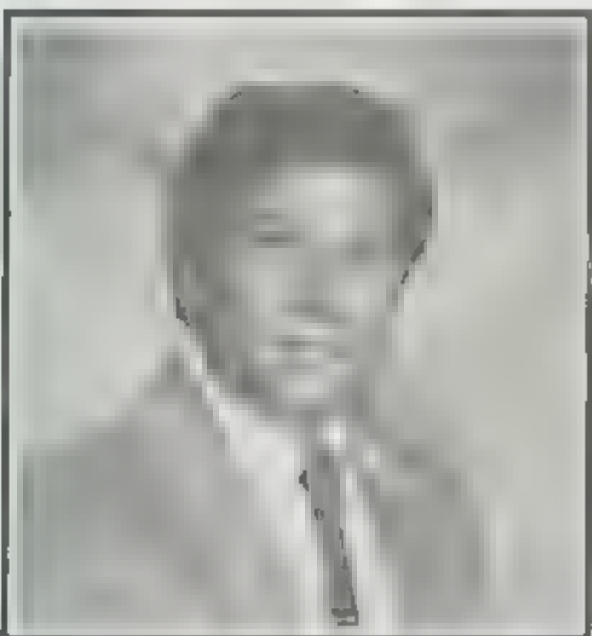

Mr. William O'Rear
Vice Principal

Mr. William O'Rear, one of our Assistant Principals, has worked at Birmingham High School for three years. He is responsible for supervising several of the different education departments, like English, mathematics, and our new computer department. Mr. O'Rear also supervises the Instructional Program which involves staff development, assisting new teachers, the library, textbooks, and cafeteria area.

Mr. O'Rear faced several problems dealing with Birmingham's overpopulation problem this year. "The population of the school has almost doubled in the past 30 years," he stated. Yet he feels that Ms. Mary Farrell is helping Birmingham to adjust to the crowded campus extremely well.

He stresses the fact that students with good grades and attendance are now being praised with more than a letter home. "This year we gave excellent students free tickets to the play *Equus*. I hope that this and other means of recognition will encourage more students to work hard and maintain good attendance," said Mr. O'Rear.

Mr. Steven Shapiro
Administrative Dean

Dean Steven Shapiro has worked at Birmingham High School for five and a half years at a variety of jobs. He was a counselor, computer coordinator, Dean of Attendance, Assistant Administrative Dean, and is presently Administrative Dean. He is in charge of security, discipline, safety, parking, attendance, suspensions, and expulsions.

The overpopulation problem at Birmingham has made Dean Shapiro's job more difficult. Even though the number of students at Birmingham has increased drastically, his number of staff members remains the same, resulting in a lot of extra work. Yet that does not hinder his expectation of moving up in the school and some day becoming Principal.

One of Mr. Shapiro's greatest memories of Birmingham is working here during the 1984 Olympic Games. Since the athletes used Birmingham's track for practice, Mr. Shapiro was able to meet several international runners.

"I enjoy working here because of the kids," Dean Shapiro remarked. "They keep me young." One last thing, if Mr. Shapiro's last name was Martin, he would be known as Dean Martin.

Ms. Ruth Walker
Head Counselor

Ms. Ruth Walker, our Head Counselor, has been working for one and a half years here at Birmingham High School. She said, "My primary responsibility is to construct a master program that gives each student an opportunity to have a program which maximizes their potential."

The diverse responsibilities of being Head Counselor include handling many individual student problems and making sure that not just the aggressive student receives special attention. Ms. Walker describes BHS as a "unique school," and, so far, "it has been exciting working at Birmingham."

Mrs. Jeri Durham
Vice Principal

Ms. Jeri Durham, our new Assistant Principal, has only been here at Birmingham since October. Before coming here, she has worked as an Administrative Dean at Fremont High, Instructional Advisor in the Region C office, as a college advisor, and also as a teacher.

She believes, in order to be a Vice Principal, "You need to be flexible and like to work with people." She wants the students here at Birmingham to take advantage of the activities it has to offer. Ms. Durham also wants to increase student involvement and participation.

Since Ms. Durham has been here, she has found the students to have "School spirit and energy." She explains her time here as being "Busy and exciting, but mostly fun."

Mr. O'Rear and Ms. Durham honor Ms. Rankel, our school nurse.

JUNE 87

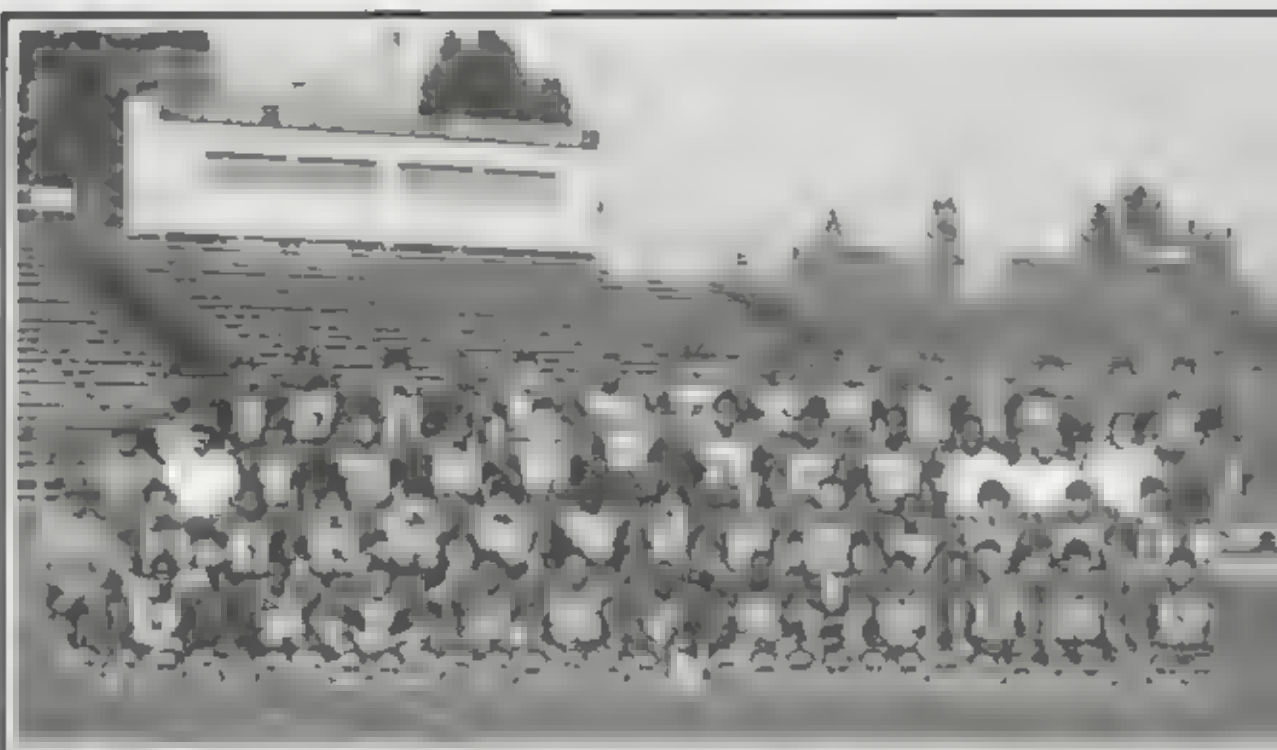

SPORTS

Getting back into the win column was the major goal of this year's Varsity Football team. Led by returning Varsity quarterback Kevin Zietz, who passed for 935 yards, the Braves regained the upper hand in the Sunset League with an impressive 6-win, 3-loss record. The Braves did not have to rely completely on its passing game, since they had an equally impressive running game. Moreover, three Braves were able to rush for over 400 yards this year: Vince Tolliver (472 yards), Mike Flores (464 yards), and Marcel Sellers (436 yards). The team was able to boast a total of 2583 yards, with an average of 287 yards per game. Even with the fantastic coaching staff, led by Coach Epstein, the Braves were still unable to defeat Garfield High School in the first round of the playoffs. Although the season is over, anticipation of another fabulous season will be expected next year.

This year's Bee Football squad has improved tremendously through the season. An outstanding group of kids." This from Coach Wayne Sink. The Bee Football players have amazed the coaches of Birmingham High School in their 18th season. The Bee squad, utilizing the skills of great All-League players like Dan Larsen, Greg Maxwell, Tom Cherney, Sharif Fahm, and Darnell Stringer, and the

talents of Coaches Sink and Tuci, have worked to a 3-win, 1-loss pre-season record against Reseda, Grant, Ventura Hills, and Northridge High School, and a 3-win, 2-loss record against the other members of the West Coast League. Tati (3-1) at Park, Eastworth, Marina, and Van Nuys High schools. Way to go, Braves.

Under the new leadership of Coach Gary Mazziotti, the Birmingham Braves, Cross Country team ran their way to another successful season. The Boys Varsity and Junior Varsity teams were Mid-Valley League Champions again this season. They also were victorious in the City Finals: The Varsity Boys took 3rd place and the J.V. Boys took 6th place. This was the Varsity Boys fourth consecutive League title, with a 4-win, 1-loss record. Jeff Korn, voted Most Valuable Player, was instrumental in this victory. The J.V. Boys also won their fourth consecutive League title, with the help of M.V.P. Glenn Ramirez. Due to ineligibility problems, the Frosh-Soph Boys were held to a 3-win, 2-loss record. Their Most Valuable Player was Brian Gastelum.

The Varsity Girls team captured 2nd in the Mid-Valley League for the 2nd straight year, with great runners like their M.V.P. Chen-Lee Segal.

The Birmingham Girls' Tennis team "was very united and supportive of each other. A well-balanced team: our doubles teams were our strongest element," says Coach Sipanzi. The team had a good record this season, going undefeated against El Camino, winning two out of three games against Cleveland and Taft. Because of their outstanding play, the Birmingham Girls' Tennis team won the West Valley League. The Most Valuable Player on the Varsity team was Kathy Lee, and four

players made All-League: Dana Hudosh, Tracy Glass, Allison Latt, and Lisa Shapiro. Dana Hudosh and Tracy Glass also were voted the Most Inspirational Players. Adds Coach Sipanzi, "We will only be losing our seniors this year. But most of the team is returning. We had to play a triple round because one of the schools dropped out of the League. The parents of the team members were the most supportive I've ever had. They came to every match and finals."

One of the most exciting sports at Birmingham is G.I.A. volleyball. These women hit hard, think fast, and have overpowered many of their rivals.

According to Coach Dow, the women's volleyball team had a pretty successful year. With a 6-win, 6-loss record, they made it to the playoffs, a very impressive accomplishment. Unfortunately, they lost in the first round of play.

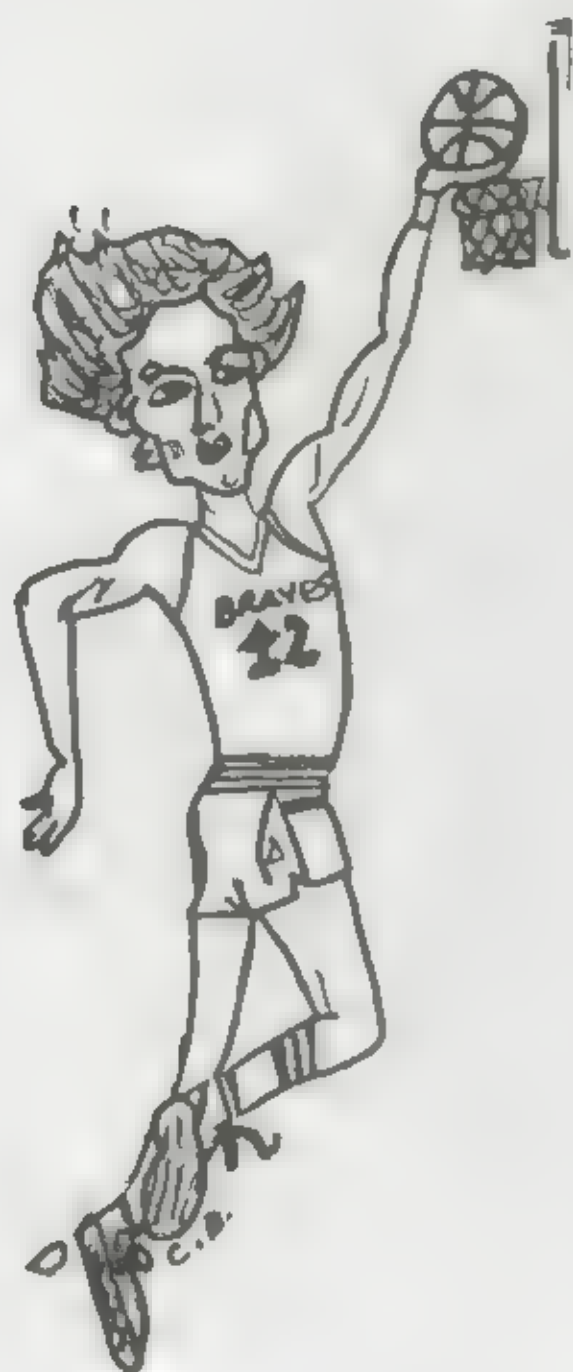

However, congratulations go out to Senior Laurane Akins, setter and outside hitter, who made All-League 1st team. And congratulations to Helena Lin, middle blocker and hitter, who made All-League 2nd team.

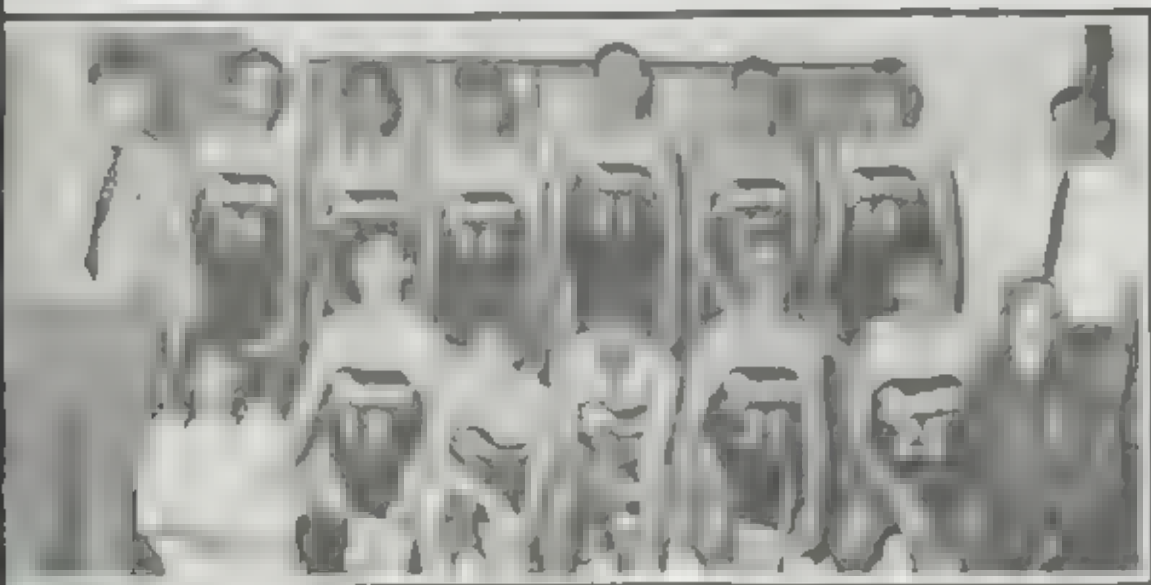

Volleyball is a fast-paced sport, and these women made it fun to watch. Way to go, Braves!

VARSITY SOCCER

The Varsity Soccer team astounded Birmingham High with their best season in nine years. The team played with renewed life against old rivals like Kennedy, San Fernando, and Granada Hills High Schools. The team hopes to have an even better season next year, as they anticipate the addition of more quality players. However five of this year's Varsity team players made All League. Eddie Burns, Chang Suh, and Jeff Rosenthal on the 1st team, Jeff Greenbaum and Michael Burns on the 2nd team. Juan Menjivar, Jason Airale, and Jason Miggas received Honorable Mentions. It is also a great honor for Eddie Burns as he was voted 1st Team All-City Player.

The much-improved soccer team tied Monroe High School for 2nd place in the League. They outperformed last year's Birmingham soccer team with a 4-win, 3-loss, 3-tie League record, and a 7-win, 3-loss, 3-tie overall record. Coach Albert Fowler and Coach Weber along with Captain Eddie Burns guided the soccer team to a terrific season of high-powered soccer. Eddie Burns was also voted 1st Team All-City Player.

Led by new coach Jeff Harper, the Birmingham Boys Varsity Basketball team played their greatest season yet. They finished the regular season with a record of 9 wins and 1 loss, and an overall record of 10-1.

The Braves finished the season with a record of 10-1 and received the top seed in the playoffs. With no other teams from the city and Los Angeles High Schools, the varsity team reached the All-City 3-A Championship game. There were no other teams from the city and Los Angeles High Schools. All-League player Ennerea Maxwell, All-League player Keith Owens, and the three other starters, Charles Johnson, and Damon Moore, constantly off the bench as 6th man, gave a big boost.

The varsity team not only made it to the finals, but also won the BHS Christmas Basketball Tournament, the first won by Birmingham since 1971.

The season ended as the Braves lost to the Grand Hills Highlanders in the 3-A City Championship game at the L.A. Sports Arena. Although the team did not win the championship game, the accomplishment they achieved during the year will not be forgotten. We thank them for making this an exciting year and bringing Birmingham Basketball back into the spotlight.

The Girls' Varsity Basketball team finished their successful year in third place in their division. Though it was a tough year because of eligibility problems, the team made it all the way to the playoffs, but lost in the first round to Lincoln High. Among the team's leading scorers were Amy Rubinroit and Shaggaro Lattin. Coach Jerry Coates looks forward to another winning season next year, however, only three Varsity team members will be returning since the rest of the ladies are Seniors. Their overall record was 12-wins and 8-losses.

The 1986-87 year proved to be successful for the Wrestling Team, both as a whole and individually. The team placed fourth in League Competition. Individual accomplishments were outstanding. Jeff Greenbaum won fourth place in the City Wrestling Championships and Mike Flores won his first place in the City Championships and wrestled his way to the first round of the State Wrestling Championships.

Coach Peter Dhanes and Coach Ha Parsons are very proud of their team. They hope that, next year, additional promising athletes will join the mighty BHS Wrestling Team!

Time is a real test of ability. This is a test which Swim Team Coach Nick Rodionoff has consistently excelled at. Expertly guiding his teams to League and City Championships. This past year has been no different than any other as the Braves won the League Championships in all four divisions. With the start of a more intense workout early in the season the Braves got off to a quick start in all their competition. Once again the Varsity Boys free relay team of Matt Ballard, Chris Ballard, Alex Gauna and Patrick Wilson provided inspiration for the entire team leading the entire swim team to another successful season.

USA 22

Drug abuse was a major issue. The use of crack cocaine had skyrocketed to epidemic proportions. President Reagan initiated a national strategy to address drug abuse as a reproductive threat to America's future. The destructive social and human wreckage of drug abuse was a national disaster. The year's struggle with this question initiated a national debate on drug abuse for the student body and argued about voluntary drug testing.

In sports, New York City hit the jackpot with the Mets winning the World Series and the Yankees winning the AL East. Arizona State captured the Rose Bowl from Michigan State and the America's Cup returned home to America as skipper Dennis Conner led his ship Stars and Stripes beat Australia's K. S. Australia.

The entertainment world was controlled by some of the biggest movies in history. Top Gun, starring Tom Cruise, controlled the box office for over thirty weeks, but eventually had to share the screen with the like of Aliens and Hard Core. Herbie Rides Again, a Grammy Award-winning jukebox as Paul Simon's Greatest Hits, included performances by South African musicians who for Best Album. However, the like of Steve Winwood's Higher Love and Peter Dinklage's Song of Solomon, a film that aired the air with the awesome sound of Rock and Roll.

So many things were going on in the rest of the world. Russia decided to use the strong arm of U.S. Armed Forces and bombed several targets in Libya, including its oil fields, kidnapping and bombing. In the Middle East, American citizens, nearby African nations were under attack and millions of people starved and died while defense weapons continued to be sent to South Africa, apart from the 1980's Olympic struggle against the movement in the U.S. in the 1980's became an important national issue. Congress tried to impose severe trade sanctions on that country, and many Americans participated in protest marches for those affected in South Africa, such as Nelson Mandela. In this day and age, the policy of apartheid, keeping blacks and whites apart, is thought by most Americans to be outdated and a violation of human rights. Speaking of apartheid, the Russians initiated one of the worst wars in history, a nuclear explosion at the Chernobyl Nuclear Power Plant. I suppose they're beating by the nightrider's glow of the century, in years to come.

There were so many other newsworthy items during the year that I could never cover them all. Here are the major events that the year has meant different things to different people. The Statue of Liberty, a symbol of hope for immigrants entering the United States for 100 years, got a facelift and is now more beautiful and glowing than ever. The A.C. Step, a new concept in growing, forced advertisers to be more creative in their newspaper ads and on television. And the world lost some of its most talented performers, entertainers, and artists. Danny Kaye, Bob Hope, Andy Warhol, Robert Preston, and the recently identified Gary Grant who was the personification of the sex-age man, the night club dancer, the sea of love and war, through out the world.

Most of all, I leave to those who remain at home and abroad a few thoughts on the future. There is a great world out there for you. It belongs to you. It is exciting, stimulating, rewarding. Don't cheat yourselves out of this promise. When you are ready, find your way to the world and stop playing it safe.

"The 1986 Fall Student Council 55 members strong, included some of the most spirited and hard-working students at Birmingham High. Under the watchful eye of the Student Council advisor, Mr. Louis Ramirez, these students helped to plan the wonderful Octoberfest, worked diligently on the fabulous Homecoming, and organized the entertaining Vice-Versa Dance. Student Council also promoted school spirit through many Pep Rallies, Victory Dances, and school competitions.

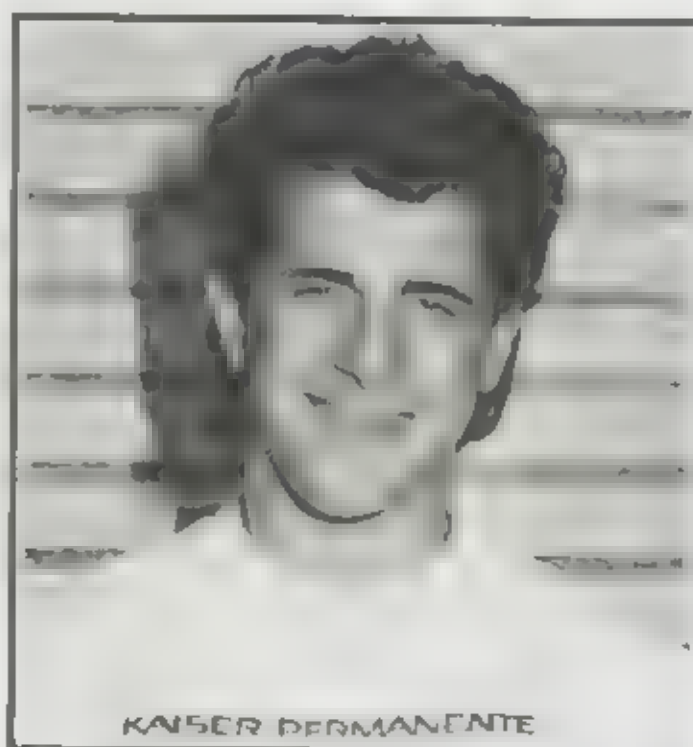

"My personal goal was to achieve self satisfaction, while at

the same time give more students a chance to be a part of our diverse governing body.

My memories of Birmingham, the faculty, students, and all-around school spirit will keep me a Brave at heart forever.

I would like to thank Mr. Ramirez for not only teaching me to work hard and never give up, but more importantly to always give 210% to everything I do."

Good luck and keep it up, Braves!

President David Rice, Vice President Michael Rabin, Secretary Stewart Spector, Treasurer Ronit Earley, and Historian Tori Radaich help the Advanced Placement Club make its mark at Birmingham High.

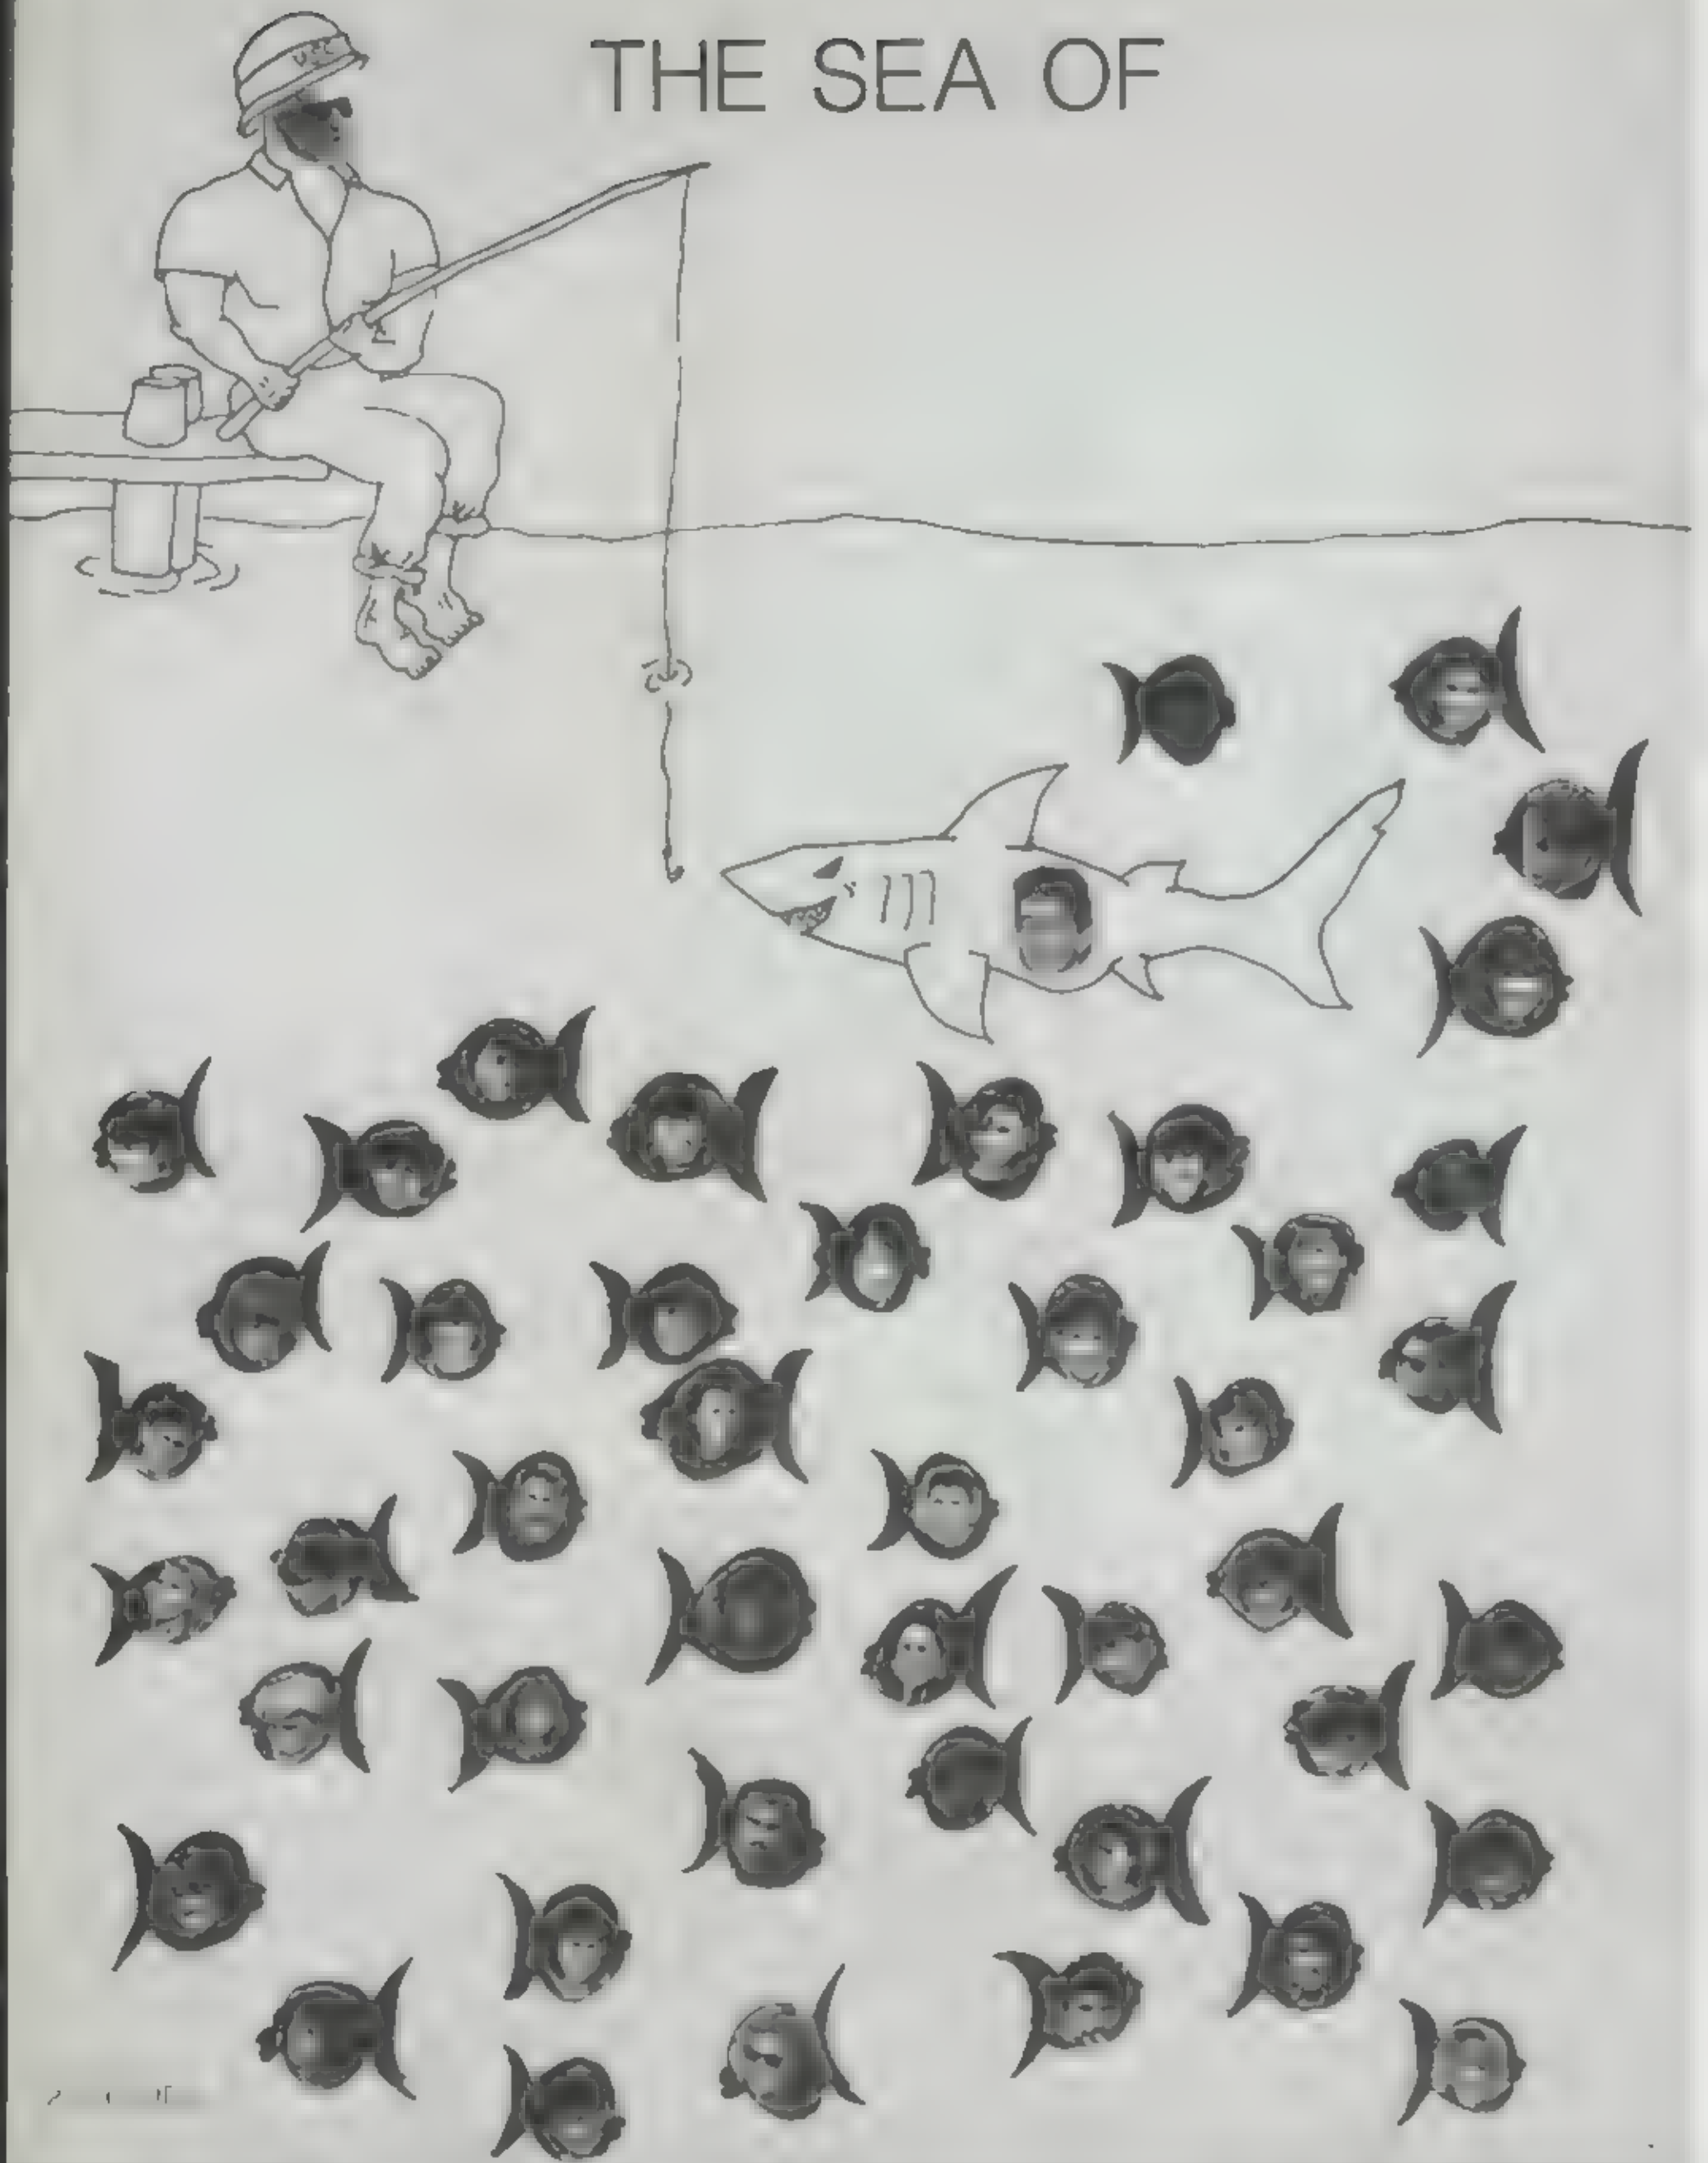

Thespians troupe 578 is Birmingham's answer to the acting question. Thespians includes the members of the Play Production class and selected outside members of the BHS acting community. They also plan school performances, competitions, projects, and festivals. Troupe 578 has also participated in several videotapes for the School District. The Thespians keep Birmingham in the spotlight.

President Michael Connell, Vice President Rick Korn, Secretary Jeff Korn, and Treasurer Michael Rabin, along with sponsor Sherry-Beth Stern keep Birmingham up-to-date with the writers of the future through the Creative Writing Club

Evelyn Zygleman

Well, it's not like that, so don't worry about it.

I received a message from Brad Gassman, the President for the Spring Student Council, to you, the Birmingham High School Student Body Officers. I was a bit surprised because I thought you were all just a bunch of high school "Don't let yourself be swept into the political arena" Here is a small sample of the urgency of my brief message.

The first thing I did was to go to the Student Council meeting. I was a bit surprised because I thought you were all just a bunch of high school "Don't let yourself be swept into the political arena" Here is a small sample of the urgency of my brief message.

P.T.S.A.

P.T.S.A., the nationwide Parent Teacher Student Association, is one of the valuable volunteer groups at Birmingham High. They work for the students bringing parents, teachers, and the student body together to support each other in helpful programs and community assistance. The P.T.S.A. also makes parents aware of what's going on at BHS and puts community and school board issues to debate. They support extra services for the students and teachers educational and welfare aid clinics for alcohol and drug abuse and student aid programs, special dinners for teachers, and classroom gifts. Funds to support the programs are obtained through an assortment of activities, such as membership drives and bake sales. Kay Staub, in her role as P.T.S.A. President, leads the team as they offer their time to assist as many Braves as possible.

C.A.C.

The Community Advisory Council has a considerable role in the lives of every student at Birmingham. This council is an alliance of faculty, parents, community members, and students. The C.A.C. keeps the channels of communication open between the school and the community, an essential unit in the success of public education. They counsel the administration on findings reached through open discussion and debate. Dr. Steven Stenfeldt is the President of this knowledgeable body of administrative consultants.

DAD'S CLUB

The Dad's Club contributed enormous amounts of money to Birmingham High during the 1986-87 school year. Their donations of time towards the Pancake Breakfast and this year's football were invaluable, raising the thousands of dollars needed by various clubs and organizations to buy goods and perform services. The Dad's Club kept the tradition alive at the Birmingham Historical Monument, better known as "Joe's Place". In light of the recent drop in interest rates, membership dues stayed at the same level as last year. The Dad's Club contains faculty, parents, and concerned members of the community. Scholarship funds, library supplies, assistance at athletic events, computers, and other useful items are presented to the school by Dad's Club. New Although it is not the only thing that makes the school a great place, it is a very important part of the school's success.

ACADEMIC COUNCIL

The Academic Council has come to the forefront of Birmingham life to address curriculum concerns. The parents and members of the council advise and make recommendations for change on the present curriculum and makes suggestions for new policies. The faculty, parents, and students combine their efforts to improve the education of the student body. Academic Council has succeeded in adding Honors level chemistry and Spanish classes, introducing an S A T Preparation Class, and broadening the physics program. They coordinated the College Fair along with co-sponsors C S F and A P Club. Mr. Patrick Earley, President of the council, and Mrs. Jan Livingston, Birmingham's college counselor, are two of the guiding forces in the Academic Council's pursuit of better education.

The third of the season's new series, "The X-Files," is a remake of the classic TV show. The new series is set in the 1990s and features a new cast of characters. The show is produced by the same company that produced the original series.

PLAY PRODUCTION

The Spring Drama production was Merton of the Movies. A rollicking comedy about a young man, Merton Gill, who aspires to go into silent films as a matinee idol. The entire play takes place during the early 1920's when young Hollywood proved to be a labyrinth of dreams, deceptions, and successes to many, including the Illinois-born Merton. Merton refuses to act in comedies; he desires only to be a "serious" actor. When he is tricked into starring in a "despised" comedy film, the results are hilarious, romantic, and successful. The play illustrates that "Hollywood is a land of dreams and a land of illusions."

California Scholarship Federation, sponsored by Mr. C Morris, fosters high standards of scholarship service and citizenship among the students. Because of its motto, "Scholarship for Service", C S F. has participated in many school activities, including College Night. They have also held Knowledge Bowls with Academic Decathlon. Upon graduating, students who have been a member of C S F. for at least 4 semesters, including their 12th grade year, receive a Gold Seal on their diploma. The Birmingham High chapter of the California Scholarship Federation is led by President Sheira Ariel, Vice President Tricia Greenberg, Treasurer Jill Goldstein, Secretary Rachel Ratusnik, and Parliamentarian Peter Loeb.

The 1986-87 Courier Staff prides itself on producing a factual and interesting account of events that occur at Birmingham High. This past school year The Courier, Birmingham High School's newspaper, produced many sold and sometimes controversial editions.

The Courier provides the student body with a more in-depth look at the various activities and issues that affect the school. They made it their business to give the opinions of the general student body a place to be voiced. The Courier also tries to encourage the revision of certain school policies which it believes to have flaws.

The Courier features a staff of many talented veteran writers. They successfully report the news concerning Birmingham and offer a variety of interesting feature articles. Each monthly issue also publishes timely editorials that present school-related problems along with possible solutions.

This has been a transitional year for The Courier in that most of the authority has been shifted from the sponsor to the students. With the addition of two Apple Macintosh computers, the new look of The Courier was more timely and efficient.

Under the watchful eyes of advisor Sid Oring and the skillful leadership of Editor-in-Chief Josh Winer, The Courier set new standards in high school journalism.

ACADEMIC DECATHLON

The purpose of the Academic Decathlon is to expand the horizons of dedicated students who are willing to put forth the time and effort to achieve academic excellence. Birmingham High's Academic Decathlon team competed on November 15, 1987, against 51 other schools in such topics as essay writing, mathematics, natural science, social science, fine arts, speech, interviews, economics, language and literature, and the pressure-packed Super Quiz. After a hard work during the first ten weeks of school and lots of outside work, the team brought home two gold medals in essay writing and speech. Through the guidance of Mrs. Williams and the perseverance of the Academic Decathlon students, they became best friends and had fun learning new things. Congratulations to Birmingham High's Academic Decathlon Super Team!

SCI. FIC. & FANTASY

The new Science Fiction & Fantasy Club has introduced the wonder and excitement of science fiction and fantasy literature, from great authors like Asimov, Bradbury, Clarke, Heinlen, Hogan, McCaffrey, and Niven, to the students at BHS. They have become very involved in school activities, which is an admirable quality in any campus club. Science Fiction & Fantasy is sponsored by Ms. Barbara Stawski, and commanded by President Matthew Savalas and Vice President Thor White. We hope they trek through the Birmingham galaxy for many years to come.

PAPER AIRPLANE CLUB

To be at the forefront of technological applications of superior aerodynamic design, one must be a member of the Paper Airplane Club. Through unwavering dedication to aeronautic application, Presidents Lou Matza and Eric Gazin plan field trips and present new aeronatic breakthroughs to the rest of the team. This club has increased Birmingham's prestige among Los Angeles high schools by involving the other students in their aviation genius. Along with Mr. Robert Gates, their sponser, the Paper Airplane Club glided into the awards column this year. We salute these "High Flying" Braves.

THE SCIENCE CLUB

The Birmingham Science Club consists of students who provide equipment and help for various science experiments. They also supply tutors for any puzzled science student. The Science Club sponsors the intriguing Birmingham Science Fair and many other scientific activities. The responsible scientists are sponsored by Mrs. Zita Evensen. We certainly appreciate the fascinating facts and timely assistance put forth by the Birmingham Science Club.

The Birmingham Speech and Debate Club has competed in over 20 tournaments this year, including Student Congress, Varsity I E's, and the State Qualifying Debate. They have done magnificently! Trophies ranging from the "Judge's Top Speaker" to "Sweep-stake" were brought back by motivated student speakers.

President David Gregory, Vice President Michael Geibelson, Secretary Andy Fink, and Treasurer Brian Winestock head the Tuesday meetings, where skill from public communications to writing and interpreting original speeches are discussed. The Speech and Debate Club will continue its proud winning tradition for many years to come.

WINNING ORIGINAL SPEECHES

David Zeiden, Original Advocacy Trophy winner

The day after Martin Luther King Jr.'s assassination, Robert Kennedy said: "The victims of violence are Black and White, rich and poor, young and old, famous and unknown. They are most important of all human beings, who are human beings and needed. No one, no matter where he lives or what he does, can be certain who next will suffer from some senseless act of bloodshed. And yet it goes on, and on, and on in this country of ours. Why?"

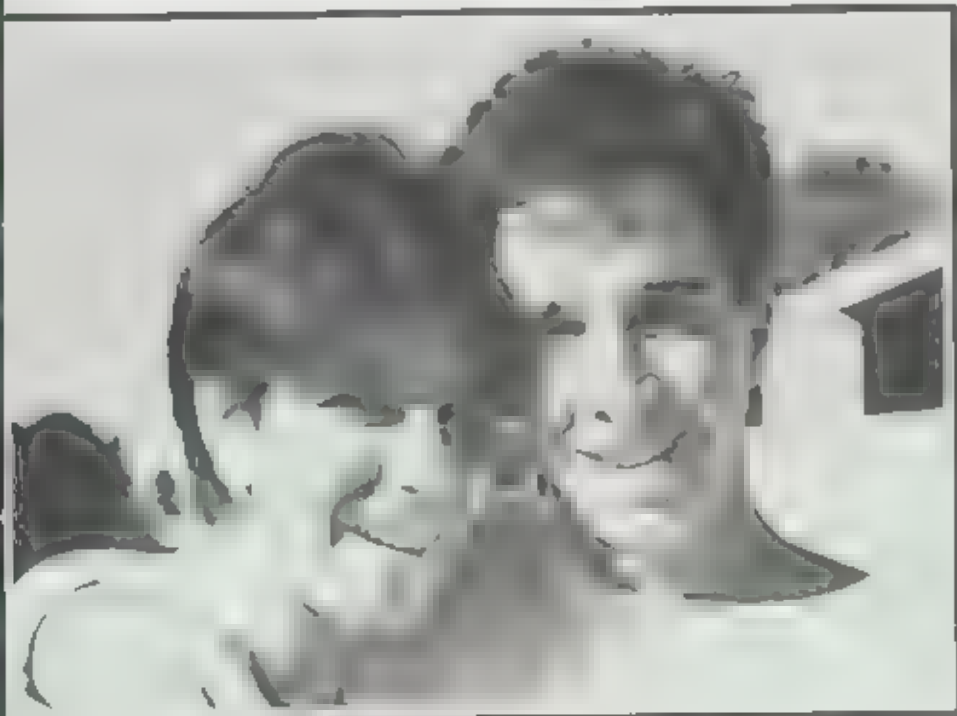

Two months later, that same Iraqi man was raised again when the man who spoke these words was assassinated. It is up to us to answer. This bill will resolve that the next generation of Americans will not have to witness this massacre and ask, "Why?"

FBLA

Future Business Leaders of America, led by President Jeff Edeistein, Vice Presidents Michael Rabin and Sheira Ariel, Treasurer Kristin Smith, Historian Adam Hand, and Parliamentarian Marc Evensen is an active club made up of students who wish to have business experiences during high school.

As part of a nationwide organization the prestigious Birmingham F.B.L.A. chapter participates in numerous business conventions in exotic places like Fresno. To relieve the tension of hard work, they often visit major Los Angeles amusement parks like Knott's Berry Farm and Disneyland.

THE DUPREES

The Duprees promote school spirit and activities around school. They participate in all events, such as Homecoming, Octoberfest, and dances for the student body. The Duprees try to unify, induce spirited behavior, and set an example for other students and other clubs through leadership in school activities and sports events. They urge younger students to become involved in all extracurricular aspects of Birmingham High.

The Duprees, sponsored by Mr. Lou Ramirez, are lead by President Stephanie Levelon and Vice President Cathy Bridge.

THE FURIES

The Furies are one of the most liberal social clubs at Birmingham. They allow both men and women to join their club. This co-ed spirit shows in their leadership: Presidents Amy Maeda, Paul Weitzman, and Jeff Wilson; Vice Presidents Jeff Greenbaum and Dionne Federson; Commissioners of Business Staci Rios and Christine Maskobi; and Parliamentarians Dee Brown and George Moussa. They have been very successful in school activities like Octoberfest, the Senior Dinner, and lunchtime bake sales. This is the Furies' third year on the BHS campus, and if winning the Most Popular Award for their Homecoming float is any sign, they're at the start of a very successful future.

THE KOREAN CLUB

The Korean Club was established for a special purpose: it gives aid to new, foreign students at Birmingham High. The club helps them to learn the English language and assist them in any difficult academic. The members also act as translators and friends in a foreign environment. The Korean Club gives assurance to the foreign students and lets them know they are not alone; help is always there for them.

THE GERMAN CLUB

The German Club, 2nd year on campus, extended itself into all areas of Birmingham during 1987. They were very big in the Oktoberfest, as expected. The club's leaders, President Babak Shemirani, Vice President Patrick Wilson, Treasurer Tenita Bennett, and Secretary Monica Bravo, contributed much to the understanding of German culture and customs to the students at BHS. Most of its members are from sponsor Renate Mahla's German classes. The German Club is just one more way Birmingham shows its international diversity.

THE HISPANOAMERICANO CLUB

Club Hispanoamericano tries to bring Birmingham's Latin-American students into the mainstream of student life. They organize participation in school events and get together to communicate in their common language. Their motto, "Together We Stand," states their goal of providing an avenue for hispanics to participate in extracurricular activities.

Sponsored by Mr. Garcia, the officers are: Evelyn Robles and Maria Gutierrez.

DUCKY BOYS

As you thumb through the 1987 Tomahawk, we hope that you feel as if you are thumbing through a real magazine. It took a lot of hard work, blood sweat and overtime to complete this book. But it was a labor of love. Everyone on the staff contributed to Volume 33, putting in many hours of trial and error and, finally, we completed an album that's worth cherishing forever.

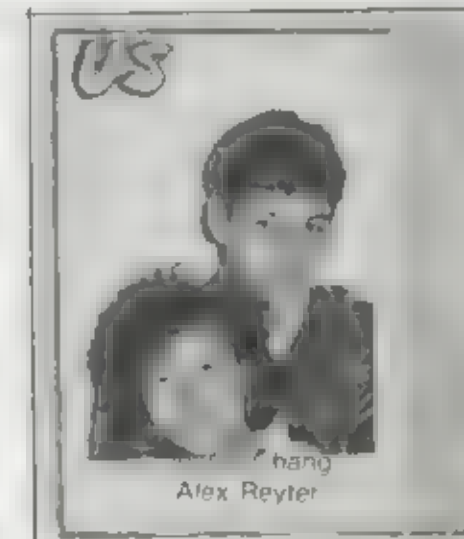

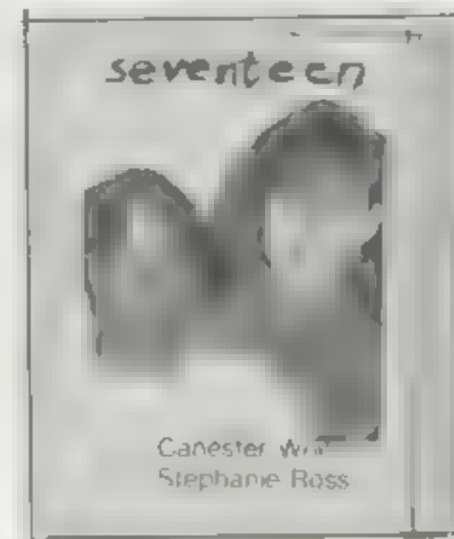

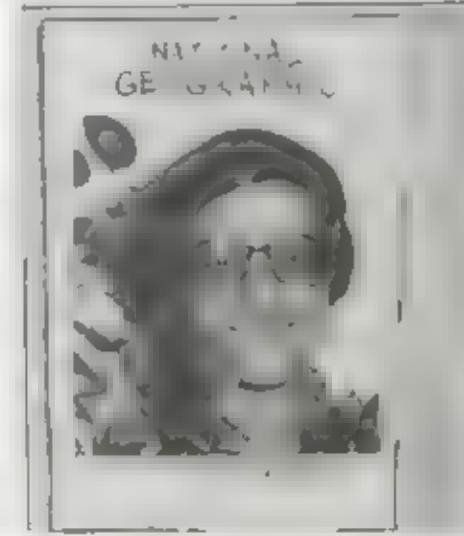

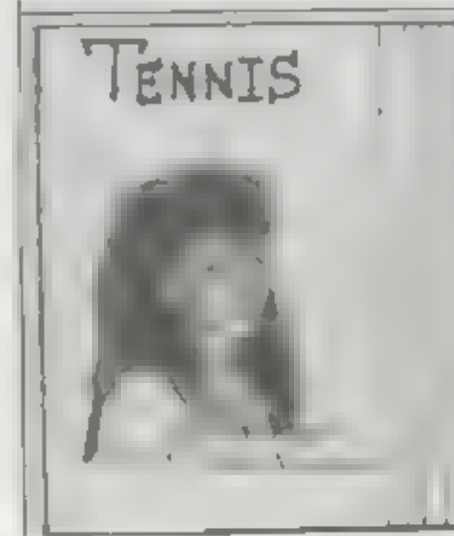

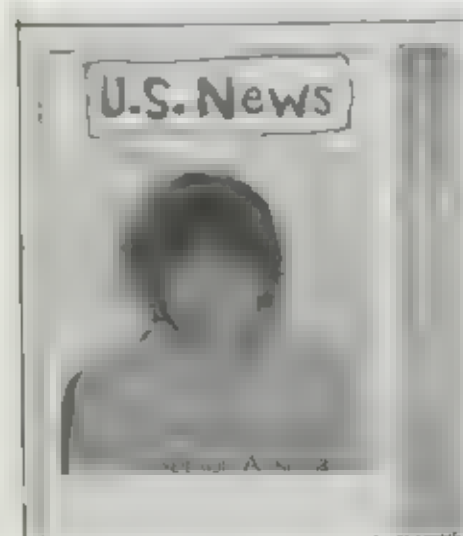

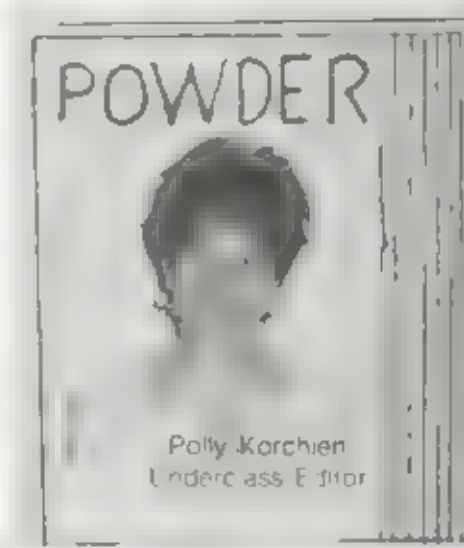

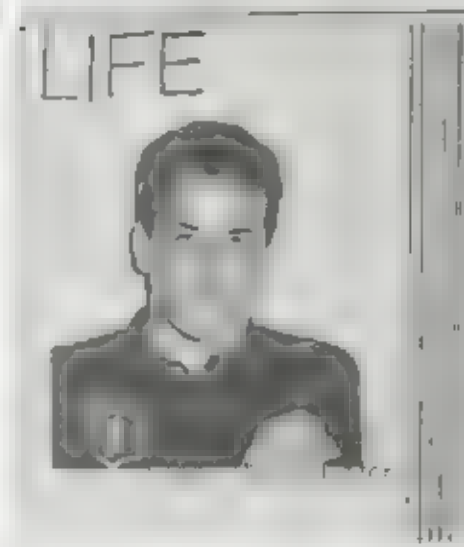

This could not have been accomplished without the guidance of one man. Mr. Lew Berns. In his role as wonderful advisor, we had to put up with lots of garbage from the staff, push us to the limits for deadlines, and encourage us to do our best on each page. We were very scared of losing him this year due to funding complications, but, once again, he came through for us.

We love you, Mr. Berns. Thanks for everything.

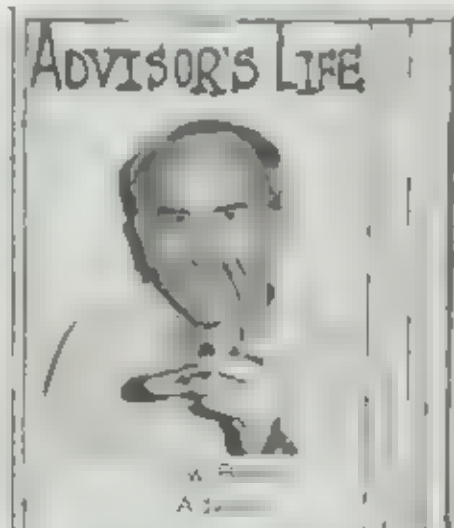

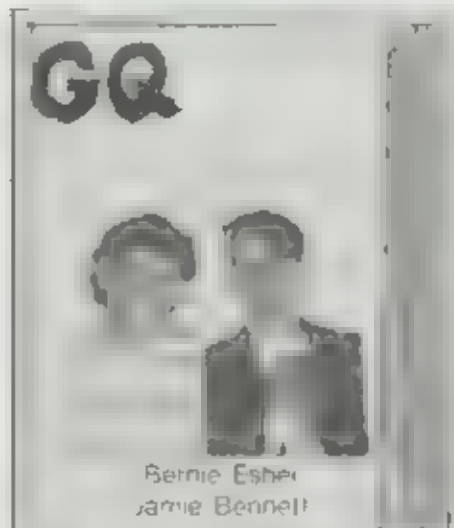

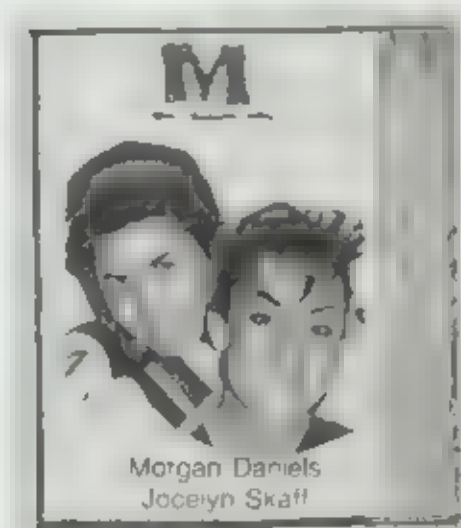

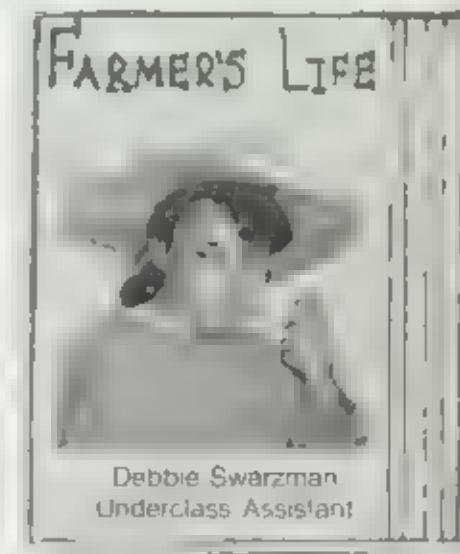

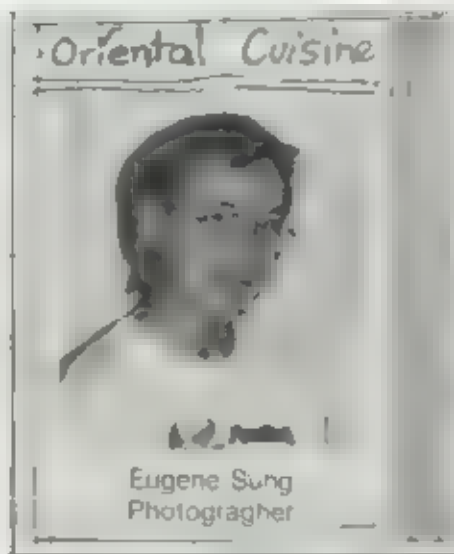

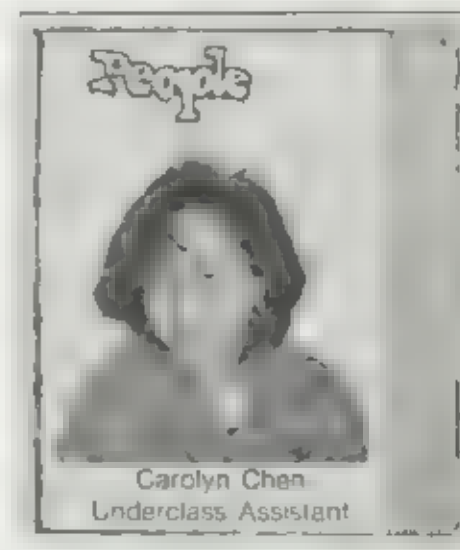

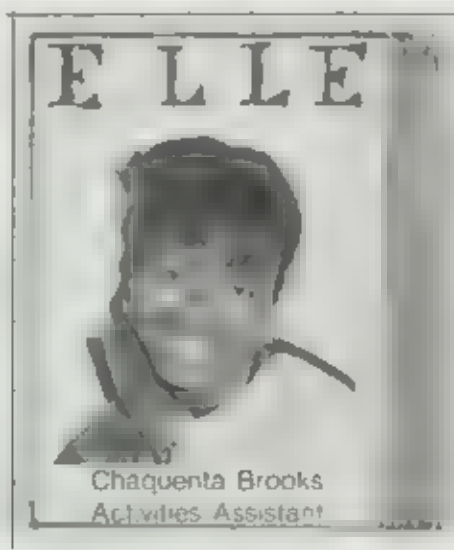

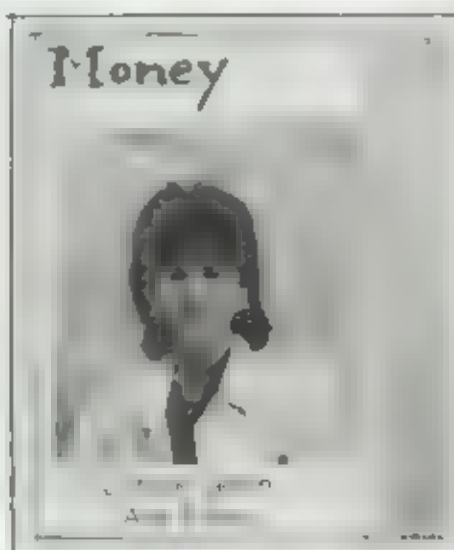

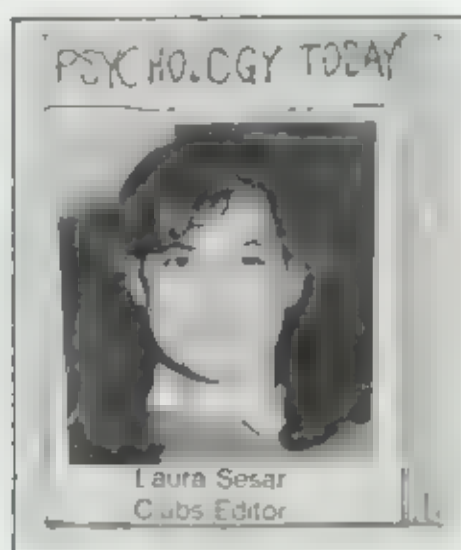

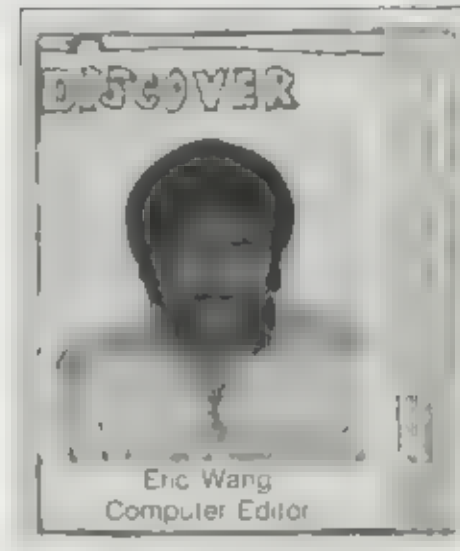

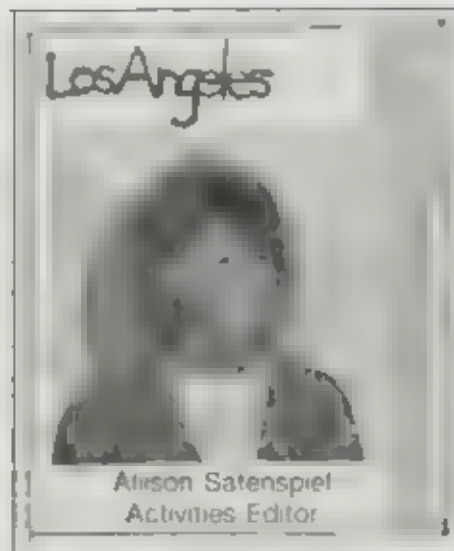

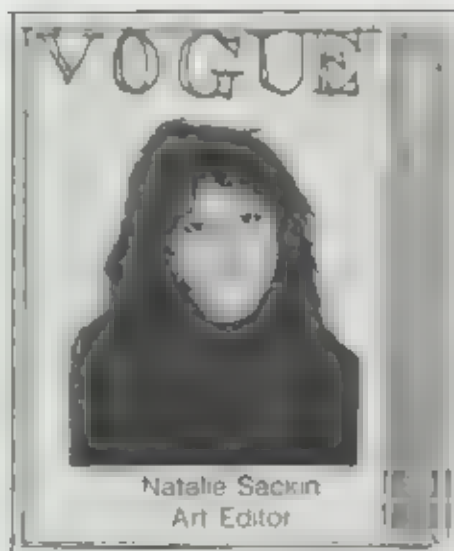

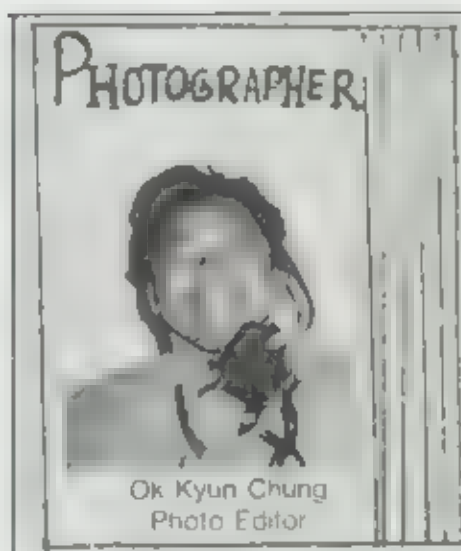

This year has been filled with learning not only to get along with one another but learning not to flake on those who rely on us. In other words, responsibility and perseverance to achieve success in our goals and in what life has to offer us.

We hope that, as you leaf through this yearbook, you feel the exhilaration and variety of Birmingham Life as we have tried to capture it in this journal of Birmingham High School.

Enjoy! - J.C./R.W.L.

SALUTES THE STUDENTS OF

BIRMINGHAM HIGH SCHOOL

The
Student
Center

Going to McDonald's is almost as much a part of school as going to class. You've made us the place to meet, to talk, to have a good time, to celebrate your victories and help forget defeats. You've made McDonald's more than just another place to eat. And that's why, at McDonald's, we say:

IN MEMORY OF
 SHARON ELIZABETH BARNETT

THE THING IS WHAT WE
 REALLY MEAN
 YOURS ARE THE SWEETEST
 EYES WE'VE EVER SEEN
 AND THE SUN'S BEEN

QUITE KIND WHILE WE
 WROTE THIS SONG
 IT'S FOR PEOPLE LIKE YOU
 THAT KEEP IT TURNED ON

2/27/71 - 12/28/86

WE KNOW IT'S NOT MUCH BUT IT'S THE BEST WE CAN DO
 OUR GIFT IS OUR SONG AND THIS ONE'S FOR YOU
 AND YOU CAN TELL EVERYBODY THIS IS YOUR SONG IT MAY BE QUITE SIMPLE BUT NOW
 THAT YOU'RE GONE WE HOPE YOU DON'T MIND WE HOPE YOU DON'T MIND THAT WE PUT
 DOWN WORDS. HOW WONDERFUL LIFE WAS WHILE YOU WERE IN OUR WORLD "

ELTON JOHN

IN MEMORY OF
ERIC T. CHRISTENSON

1969-1987

"A lot of you probably remember Eric. He was always hanging around Room 65. He was thin, had long blond hair, and wore army clothes. His lips, while usually smiling, were often blue because he had a bad heart and his blood was not getting enough oxygen. This caused him to feel the cold more intensely, so you usually did not see him at school on cold windy days.

"He talked softly, was very observant, and walked around silently. He used to enjoy walking up to a person so quietly that they wouldn't know he was there, until they looked up. He admired the

American Indian and his ability to stalk and hunt silently. Eric studied everything he could about them and tried to copy their ways.

"Eric wanted to be an artist more than anything else and, when he could, took art classes several hours a day every semester. If desire could make one an artist, he would have been a Rembrandt, or in his case, a Walt Disney. He had admired Walt Disney Studios above all things. His ambition was to be a Disney animator, almost from the day he was born, across the street

from the entrance to Disney's Studios in Burbank.

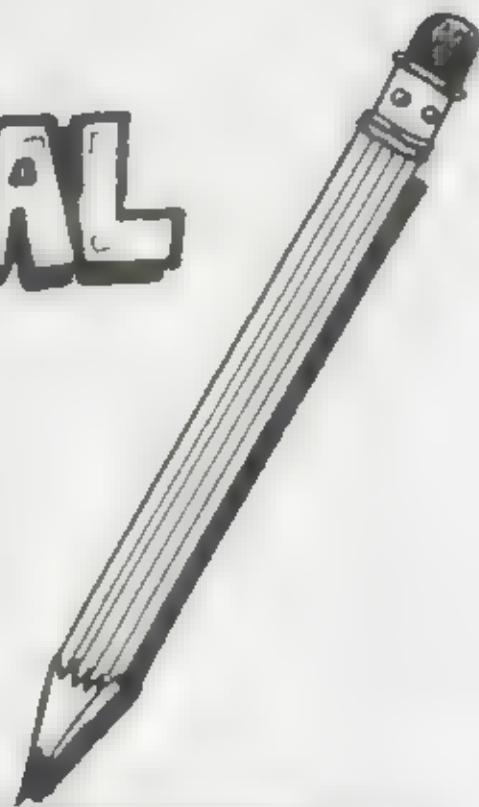

"Because of his interest in cartooning, which was to have been his life's work, a section on cartooning and animation is being started in our school library, in honor of his memory.

"Now Eric is buried on a hill overlooking his beloved Disney's Studios. He will be missed here at school, especially around Room 65." - George Edwards
